

But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth... Acts 8: 1

The possible mission

July 2008-October 2008

Witnesses in Norwood, OH

I want to say MUCHAS GRACIAS for being a friend, and an important part on this Possible Mission. The good news I already have my tickets and I no have to pay nothing for stay or food: God provided for all of this!!! Again thank you for being a part of the journey that God is laying out before me. You're prayers and support means a lot to me.

Please continue to pray for me:

- **Giving thanks** to God for the provision until today and that He continues to provide for my personal expenses that I need for the trip.
- This **time before my departure** is so hard and painful: I want to be in two place at the same time, here at the school and there in Ohio.
- I want **to be used by God** to bless others, do whatever God wants me to do.
- I know I'm going to share about the school in La Limonada and my testimony; I just want to say what I see God doing in my life and the school and **say what He want me to say**.
- This is my first time **being away for this long** and being out of my comfort zone (I will be away from family, friends and La Limonada).
- For the **language barrier** that I will be able to communicate and understand and that God can use me to bless others.

In Christ you friend and sister,

Mónica Yood
